## PERSONAL STATEMENT

An enthusiastic educator with experience in primary and post-primary teaching. Promotes motivated, hardworking students through fun, engaging lesson planning and delivery with curriculum lead learning at the core of each lesson.

## TEACHING EXPERIENCE

### Art & Design Teacher, Kylemore College

Dublin

Oct 2023 — Dec 2023

#### Overview

*Responsible for planning and delivering units of learning for students in classes ranging from first-year visual art to sixth-year visual studies which adhered to the objectives of the curriculum while utilising a variety of teaching methodologies.*

- Developed critical, contextual thinking in 6th-year students for improved art appreciation in the visual studies unit of learning with a focus on the visual studies framework headings to support students in understanding and learning the content.
- Built art history comprehension through field trips to notable museums with an enhances on student-centered learning.
- Used digital media to expand upon and supplement course concepts through student-led research, assessment of students' learning and a photography unit of learning for the LCA Visual Art programme.
- Being environmentally and cost-conscious by using sustainable art materials and recycled items to reduce waste within the art classroom in an engaging and hands-on 2nd-year cardboard construction unit of learning.
- Developed varied lessons to meet diverse student needs in a 3rd-year mainstream classroom. Worked closely with a high learning disability student following the L2LP programme, linking Junior Cycle Visual Art with Level 2 Learning Programmes' learning outcomes.
- Contributed to the parents' evening by providing a summary of the resources and support offered by the college to facilitate the transition from post-primary to third-level education and aid with revision.

### Arts and Crafts Instructor, City of Dublin E.T.B

Dublin

Apr 2022

#### Overview

*Responsible for developing a range of arts and crafts activities that adhered to the age range within the assigned group for after school art clubs and summer/Easter camps*

- I have led and executed a variety of arts and crafts projects with primary school students at Mary Queen of Angels and Inchicore National School for their after-school art clubs and Summer/Easter camps as part of the Ballyfermot school completion program.
- Supervised a number of students ranging from ages 5- 12 while escorting educational visits to a number of out-of-school trips.
- Planned and delivered art activities that encouraged children to develop new skills and an art appreciation.
- Created an atmosphere of trust and respect by establishing positive relationships with the children.

## Art & Design Teacher, Saint Dominic's College

Feb 2023 — May 2023

### Overview

*As part of my 10-week placement, I planned and delivered creative and engaging lessons focused on artistic techniques and applications while keeping the elements of art at the core of each lesson.*

- Provided Visual Studies lunch revision sessions to teach students key concepts to meet the demands of course examinations.
- Presented material on the history of art, pairing concepts and new knowledge with activities to cement knowledge through a 1st-year clay coaster unit of Learning.
- Evaluated student work, monitored progress through regular assessments, and was a part of the Visual Art CBA 1 assessment process in collaboration with my host teacher.
- Used video and digital media to expand upon and supplement course concepts

## Art & Design Teacher, Kylemore College

Mar 2022 — May 2023

### Overview

*As part of a 6-week placement, I collaborated and team-taught a painting unit of learning to a transition year group. I was responsible for developing a portfolio preparation art club for students interested in third-level art education.*

- Collaborated with and team-taught a transition year class for a 6-week painting unit of learning.
- Responsible for sharing key dates for portfolio submission to third-level art education.
- Demonstrated diverse art techniques and processes used in portfolio exploration.
- Supported students in the preparation of their portfolios by guiding them in the next step of the process.
